5. Customer Signature

By signing this form, I agree to the following:

- I am requesting Power Smart Pricing service under Rider PSP and Rider RTP (available at www.ameren.com) pursuant to an Ameren Illinois utility tariff approved by the Illinois Commerce Commission (ICC).
- I acknowledge that an Interval Data Recording (IDR) meter or meters must be installed at my premises by my Ameren Illinois utility in order to commence service under Rider PSP.
- I acknowledge that the Ameren Illinois Utilities must have access to the meter location at my home during all normal business hours Monday through Saturday throughout the year to insure hourly readings are available to support my participation on PSP.
- **I acknowledge that once Power Smart Pricing service under Rider PSP commences, I am required to take this service under Rider PSP for at least 12 consecutive monthly billing periods.**
- **A monthly participation charge of \$2.25 will be added to my Ameren Illinois Utilities electric bill.**
- I agree to the terms and conditions of taking service under both Rider PSP and Rider RTP now in effect and as may be amended from time to time.
- I authorize this participation agreement to be secured and maintained by CNT Energy.
- I authorize my Ameren Illinois utility to release my account information including energy usage and billing information and all other information permitted by law to CNT Energy. I understand that CNT Energy will keep my account information confidential and will use this information only to operate and improve the program, and to provide me with access to my account information through a secure interface on the CNT Energy Web site.
- I authorize my electrical usage data and billing information to be used in aggregate with other Rider PSP participants for purposes of evaluating consumer and system benefits and understand that my individual data will be held confidential.
- I acknowledge that Power Smart Pricing is an experimental program that may be terminated in late 2011.
- I understand the price I will pay for electricity I use is based on the hourly market price for energy which may be above or below the standard rate for residential customers (BGS 1).
